Sfera Ø40 – Lavabo / Washbasin / Waschbecken

H3 Solid 100x160 – Piatto doccia / Shower tray / Duschwanne

Ita Forme semplici e accoglienti pensate per ambienti bagno in cui l'essenzialità è sinonimo di eleganza. La collezione è stata oggetto di rinnovamento con l'introduzione di lavabi sospesi con ampi piani laterali, installabili anche su mobile; e da catini ovali e circolari ad incasso, sottopiano e ad appoggio, quest'ultimi installabili su mensola o su top in ceramica. Completano l'offerta quattro coppie di wc e bidet sospesi, tre coppie di vasi a terra e un wc monoblocco. Selezionati wc sono dotati dell'innovativo sistema di scarico Silentech. Tutta la collezione è smaltata con il rivestimento antibatterico Cataglaze+ con ioni d'argento e di titanio che, tra i molti vantaggi, garantisce igiene e massima durata della brillantezza della ceramica. Selezionati lavabi e sanitari sono disponibili anche nelle raffinate Tonalità satinata per un tocco di autenticità e serenità. Sui wc satinati è previsto l'esclusivo rivestimento Twinglaze+, opaco all'esterno e lucido nelle parti a contatto con l'acqua.

Deu Schlichte, einladende Formen für Bäder, in denen Wesentlichkeit gleichbedeutend mit Eleganz ist. Die Kollektion wurde durch die Einführung von wandhängenden Waschtischen mit großen seitlichen Abdeckungen, die auch auf Möbeln installiert werden können, und durch ovale und runde Einbau-, Unterbau- und Aufsatzwaschtischen, die auf Ablagen oder Keramikplatten installiert werden können, neu gestaltet. Vier Paar wandhängende WCs und Bidets, drei Paar bodenstehende WCs und ein Monoblock-WC vervollständigen das Angebot. Ausgewählte WCs sind mit dem innovativen Silentech-Spülsystem ausgestattet. Die gesamte Kollektion ist mit der antibakteriellen Cataglaze+ Beschichtung mit Silber- und Titan-Ionen glasiert, die neben vielen anderen Vorteilen Hygiene und maximale Haltbarkeit des keramischen Glanzes garantiert. Ausgewählte Waschtische und Sanitärobjekte sind auch in raffinierten satinierten Farbtönen erhältlich, die einen Hauch von Authentizität und Gelassenheit vermitteln. Die satinierten WCs sind mit der exklusiven Twinglaze+ Beschichtung versehen, die außen matt und an den Teilen, die mit Wasser in Berührung kommen, glänzend ist.

Eng Simple inviting models for bathrooms in which spare lines are a synonym for refinement. The collection has been revised with the introduction of wall-hung washbasins with wide lateral ledges that can also be installed on a unit; Sfera now also features oval and circular basins in wall-hung, under-counter and countertop models, the latter can be installed on a shelf or a ceramic top. The selection is completed by four pairs of wall-hung wc's and bidets, three pairs of floor standing wc's and one Close coupled wc. Selected wc's are equipped with the innovative Silentech flushing system. The entire collection has been glazed with Cataglaze+, with silver and titanium ions, the antibacterial coating whose many advantages ensure hygiene and a long lasting ceramic gloss. Selected washbasins and sanitary ware are available in the elegant satined Tonalitàs for a touch of authenticity and serenity. The satined wc's come with the exclusive Twinglaze+ finish, satin on the outside and shiny on the parts in contact with water.
